

EDEN LASSIE

WEDDINGS & FUNCTIONS

2024 Catalogue

Eden Lassie is ideally situated in the Tala Valley, just 70 km from Durban and a mere 27 km from Pietermaritzburg. The Venue sits proudly in park-like gardens overlooking the magnificent farming area of the Tala Valley. The venue is now under new management as Judy the owner steps down and Dale from Daleliful Décor takes over the managements of the functions.

Eden Lassie's verandah and deck overlooks a lake full of magnificent waterlilies and we have many varieties of birds. The perfectly manicured gardens have been established for over 40 years, creating the perfect back drop for your photographs.

Eden Lassie is situated on a working beef ranch and plant nursery. The farmland allows for the perfect back drop for country style wedding photographs, including rustic farm buildings, so there is no need to go further afield!

Our Chapel is situated next to a beautiful waterfeature which runs into the lake creating a peaceful setting. One side of the chapel has open arches that overlook the gardens giving the perfect garden wedding ambience.

Both Eden Lassie's main hall and chapel can seat up to 200 guests. Extra guests can be seated on the verandah and can still be part of the main wedding through the French doors.

I will be with you through the entire process of planning your wedding, and will ensure your décor is on point. I take great pride in creating the perfect setting for your wedding and in association with CHC catering we can ensure your wedding is a dream come true.

I invite you to come view the venue and all we have to offer and let us create your perfect wedding. To view the venue please make an appointment.
